

## Support Derry Homegrown

**Derry Homegrown Farm & Artisan Market is kicking off our fourth season Wednesday, June 3rd, 2020!**

**We scour the state for the very best locally grown, raised and produced products available and bring them to the heart of Downtown Derry every Wednesday June through September.**

### Need proof?

**The Editors of Yankee Magazine chose Derry Homegrown as "Best Farmers' Market in New Hampshire!" for 2019.** And, in 2018 (in only our second year) we were voted #2 in the state in a WMUR Viewers Poll.

In addition to amazing things to eat, drink and enjoy, our well attended community event includes live music, local artists, a community booth, and children's activities every week.

Our market is an exciting, "must attend", weekly event that benefits market shoppers, vendors, and local downtown businesses. Our market brings people in and provides additional foot traffic throughout the neighborhood.

**Opening Day** brings **1500+ people** to the center of Derry, and we have **an average of 700+ patrons** to our market every week providing many opportunities to shine a light on our generous sponsors.

Our **Facebook Page** continues to grow with **2,784 people** who closely follow our posts.

Our **website** gets **steady traffic** each week and **our newsletter list** which includes a list of our sponsors **is read by several hundred patrons** each week.

Our successful market is dependent upon many things, including hard work from our volunteer board and potent, effective marketing - **but we can't do it alone.**

**Your sponsorship will allow us to continue to bring this well loved, family-friendly event to Derry this summer.** Your generous dollars will allow us to advertise in papers and online, create printed marketing pieces to distribute, provide a stipend to entertainers, and enroll in memberships to national and local organizations that help provide a wider exposure and engage in educational opportunities that keep us moving forward.

**Your choice to sponsor Derry Homegrown is right for your business too.** With placement of your logo and/or business name within our marketing materials, banners and more, **you will be showing market patrons, your existing and future customers that you are invested in being a partner to the success of this well loved weekly event.**

Thank you in advance for considering a sponsorship which will allow us to continue to bring this community event to Derry this summer. – Derry Homegrown, Board of Directors
